

# Walworth-Seely Public Library 2017 Report to the Community

Where the  
Community can  
Create.

Where the  
Community can  
Connect.

Where the  
Community can  
Discover.

## FROM THE DIRECTOR'S DESK...

2017 was another great year for WSPL. The library saw ample growth and change over the year. We said goodbye to previous Library Director Beth List, who served in that position for the past three years. I joined the library's team in October, and look forward to carrying on Beth's success as Director. In this report I will highlight some of the great achievements we had at the library this past year. These accomplishments were made possible due to the support of the Walworth community and the backing of the WSPL Friends.

The library is poised to see more change and growth in 2018. Currently we are in the preliminary stages of a possible library expansion that will allow the library to support the ever-growing needs of the whole community. These needs include a larger children's area, a teen area, meeting room space, and storage. The expansion would give the residents of Walworth the library it both needs and deserves. Thank you again for your continued commitment and support of our library.

Respectfully,

*Seth Jacobus*
